3. The nominee must be in good standing with the University and cannot be under active disciplinary sanctions at TCU. Conduct records will be verified by Campus Life.
4. Classification, GPA, standing, and gender of all nominees will be verified by Student Activities to certify that all candidates meet the eligibility requirements.
5. This year must be the first, and only, year that the student is nominated.
6. Once a student has been nominated, he or she has until the application deadline to submit their materials. Nominees who do not submit an application by the deadline will not be included in the selection process. More information about the application is included below.

 - Part 2 - (1) 50% Part 1 and (2) 50 % interview
2. Each applicant must submit a professional resume to be considered. Please submit a resume for a potential job in your future career field.
3. Each applicant must submit a short answer essay to be considered. The short essay shall be completed by the nominee him/herself and submitted online as part of the application.

For more information, please visit homecoming.tcu.edu or email Kelly Lee (kelly.lee@tcu.edu)

5. Candidates will be invited to take professional headshots provided by TCU Yearbook for the voting ballot. More information will be emailed to candidates.

6. One round of voting will be held online using TCU Qualtrics on Friday, October 8th, 2021 from 9:00am until 11:59pm. Each candidate's name, photo, and the three activities or honors selected by the candidate will be displayed on the ballot.

7. All TCU undergraduate students are eligible to cast their votes for Outstanding Seniors candidates. The student body will receive a direct email from TCU Qualtrics on the day of the election with a unique URL to cast their votes online. Solicitation of votes is subject to TCU's policies and procedures for promotional and marketing materials on campus (please see Outstanding Seniors Guidelines listed below). If you have any questions, please direct them to the Kelly Lee (kelly.lee@tcu.edu). Violations will be mediated by senior Student Affairs staff members.

Finalist Information

1. The top eight candidates with the highest combined scores from Part 1 (resume, short essay, and student body vote) will be announced as finalists for Outstanding Seniors. The finalist selection process will continue in the following weeks leading up to Traditions week.

2. The finalists will be required to schedule an interview. A panel of faculty and staff judges representing offices from across campus will conduct the interviews. Each judge will submit an interview score for each finalist. The interview scores for each finalist will be averaged to determine the final interview score. The interview will be no more than twenty minutes.

14. Each finalist is required to participate in the Traditions Week activities.

15. Each Outstanding Senior finalist must be available for halftime practice (Friday evening before the football game) and for participation at halftime of the football game on October 23rd.

- 3. Election day restrictions:**
 - a. Each undergraduate student will receive an email containing a unique URL to access the ballot. This URL will only allow for one-time access.
